## GREAT FOR RESTAURANTS AND CONCESSIONAIRES

The SaniServ® model 108R Frozen Beverage Freezer provides owners and operators everything they are asking for: *Frozen beverage visibility merchandising in a consistent and reliable machine with remote refrigeration!* The unit's extra large 8" faceplate design allows customers to view colorful frozen beverages being offered without the condensation and unreliable operation of traditional "bubble top" machines! The high frozen product visibility, along with increased production and reliability, results in increased sales and high profits! The 108R's remote refrigeration system is ideal for lowering costly indoor air conditioning operating costs by providing less heat build up while providing quieter operation!
